

101 Almost Free Gardening Projects

Gardening can be almost free!

Discover frugal projects and ideas for the garden with 101 Almost Free Gardening Projects through Planning, Building, Growing and Harvesting.

Beginning with the Planning phase, make the most out of the garden space through clever ideas and design principles.

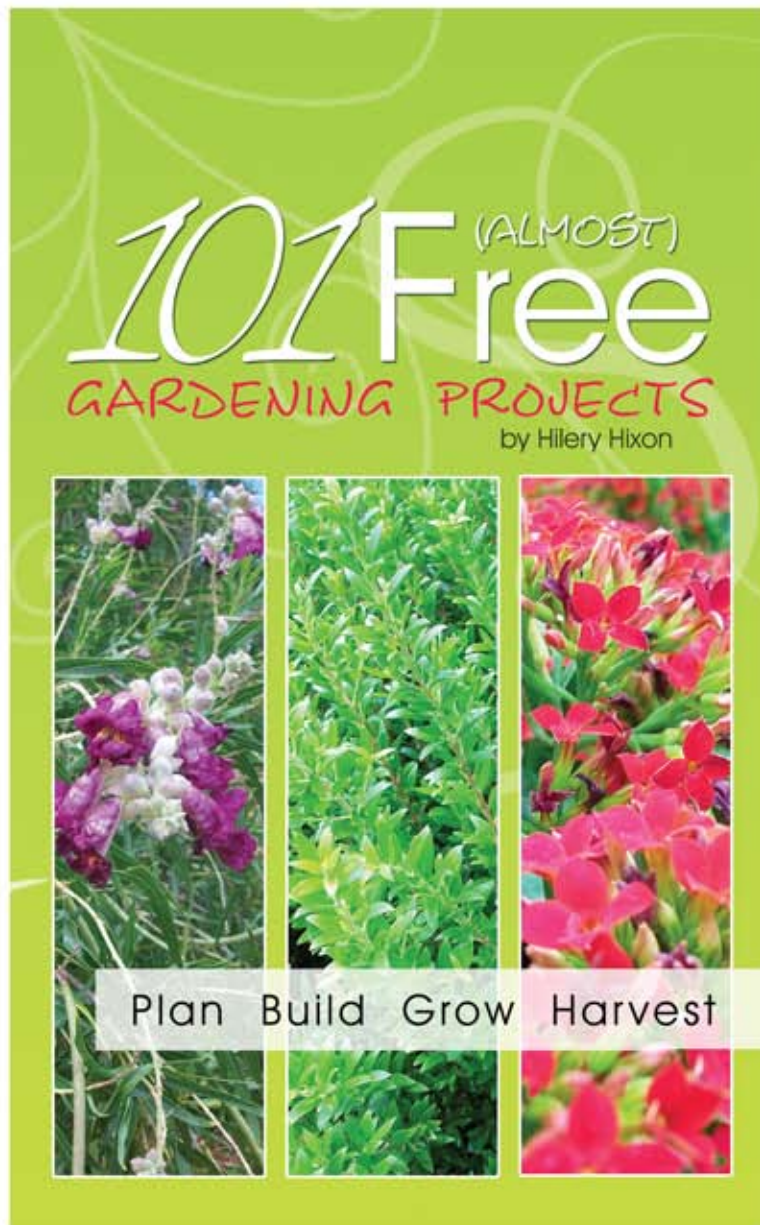

Building for the garden can be fun and easy. Grab some tools and learn how to make an inexpensive trellis, a planter box from scrap lumber and more!

Explore more ways to grow plants and save money, including seeds, vertical gardening and food.

Do more with what is grown with Harvesting projects, including harvesting a birdhouse.

Gardening and projects go hand-in-hand.
